Feedback analysis and Action taken Report
Academic Year 2021-22

Following are the suggestions given by stakeholders	Action taken/ plan of action	Name of the Department
➤ Some Students were still adjusting to the adaptability of both online and offline learning modes.	1. Regular counselling sessions by student counsellors were provided for mental well being and assignments were issued to improve the writing skills. 2. E content was developed and published on the website for students to refer to it in asynchronous mode. 3. College adhered to the University specified Examination which had the provision of grace time.	All Departments
➤ Few teachers were adjusting to the challenges of online and offline teaching while students faced limited exposure to experiential learning opportunities.	1. Regular orientation and NPTEL/Coursera courses helped the teachers to adapt to online teaching. Teachers provided online innovative teaching techniques after the completion of workshops. 2. Additionally an Online research Orientation Workshop was conducted for teachers for Research Awareness.	All Departments
➤ Alumni meet was not conducted during the pandemic period.	1. Alumni meet was organized online by all departments. 2. Alumni were invited to convey their ideas and guide the current students for their future.	All Departments
➤ Few Parents raised concern about the poor academic performance of their wards.	1. Regular communication with parents through online meetings allayed their concerns. 2. The students were given written assignments so as to not lose the habit	All Departments

	of writing in the online academic period.	
➤ Few employers advised that more emphasis should be given to practical/experiential learning and adapting new technologies.	1. Practical/experiential learning was emphasized during the offline learning and students were encouraged to complete online certification programs. 2. Students completed various MOOC/SWAYAM and other online courses	All Departments
