Dr. Devidas Golhar
Principal

To,

District Collector
Pune

Subject: Identification of villages under the UBA program.

Dear Sir

Ministry of Human Resources Development (MHRD), Government of India has launched the national program called Unnat Bharat Abhiyan (UBA), with the vision to involve professional and higher educational institutions in the development process of rural areas in the country to achieve sustainable development and better quality of life. Indian Institute of Technology, Hauz Khas, New Delhi has been designated to be the National Coordinating Institute by the Ministry.

We Marathwada Mitra Mandal's College of Commerce, Deccan Gymkhana, Pune, AISHE Code C-41758 has agreed to participate in UBA as a Participating Institute (PI). Dr. Sandip M. Anpat, (Contact no – 9860759180), has been duly authorized in this regard from our side to carry on the activities of UBA in our organization as Project Coordinator.

Under the UBA program every Participating Institute is to adopt a cluster of five villages in consultation with the Districts Collector. This is to bring to your kind notice that we have proposed the following villages in the district Pune.

1. Ambi
2. Agalambe
3. Zhalanwadi
4. Khatpewadi
5. Matalwadi

In view of the above the Project Coordinator may contact your officer for the purpose. We request you to please help and cooperate in the matter.

With regards

Your Sincerely

Devidas Golhar

Dear Sir/Madam,

Congratulations to all the Participating Institutions (PIs) selected under Unnat Bharat Abhiyan, a flagship program of Ministry of Human Resource Development (MHRD) Government of India through a challenge mode application. The Mission of Unnat Bharat Abhiyan is to enable participating higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

As per the programme, educational institutions is primarily to develop linkage with selective rural clusters (preferably of five villages), to get involved in the planning process and to promote the requisite S&T interventions to improvise and expedite the developmental efforts in those clusters. The approach is a departure from the grant oriented method and would see the participation and commitment of faculty and students in this endeavour.

We shall be processing release of Rs. 10000/- per village under the UBA program. The funds are mainly meant for assistance for awareness, Gram Panchayat Development Plan (GPDP) study, need assessment, and contingency expenditure. There are provision of Rs 1.0 lakh for technological intervention/ solution and Rs 0.50/- lakh for customization of a technological solution under the program. Which you can avail of afterwards by submitting proposals with ratification of the Gramsabha. A two-way channel between PIs and National Coordinating Institute (NCI) as well as Subject Expert Groups (SEGs) for project proposal submission and evaluation has been developed and functional on UBA portal. You can use your login credential for uploading proposals on UBA website '**FINANCIAL AIDS**'. The login credentials are same as your registration login credentials.

You are also requested to keep IIT Delhi, the National Coordinating Institute updated about your activities so that the same can be uploaded on the website of UBA.

Regards and best wishes for your institution for contributing to India's development.

With regards

Your Sincerely, 
Prof. Virendra K Vijay

**Report On
Unnat Bharat Abhiyan, MMCC**

Unnat Bharat Abhiyan is a significant initiative of the Government of India aimed at driving rural development through the collaboration of higher educational institutions and rural communities. MMCC, with its vision of promoting quality education and sustainable development, has taken part in this flagship program by adopting five villages in Pune district: Ambi, Agalambe, Zalanwadi, Matalwadi, and Gorhe.

In these villages, a substantial portion of the community comprises residents, spinners, farmers, and farm laborers, with agriculture and complementary businesses being the primary sources of livelihood. While primary education facilities are available, there is a notable lack of interest in education among some backward communities, leading to a high dropout rate at the primary level. Many children are deprived of education as they accompany their parents to work in wage labor, rather than attending school.

To address these challenges, MMCC, as part of Unnat Bharat Abhiyan, has engaged with village stakeholders, including the Sarpanch, Gram Sevak, and other Panchayat members. The motto and objectives of the program were discussed with them, fostering an understanding of the shared goals. Additionally, a household survey was conducted to gain insights into the specific needs and requirements of the villages.

To improve healthcare in these rural areas, health camps were organized, providing primary health checkups for villagers and school children. Specific initiatives like breast cancer awareness and checkups were conducted in collaboration with hospitals.

Furthermore, to encourage education and mentorship opportunities in these villages, four-day value education programs were held at the schools. Through these initiatives, students benefited from enhanced educational facilities and were exposed to issues prevalent in rural areas. The student volunteers actively participated in all activities, witnessing positive role models and gaining insights into moral values, gender equality, respect, and the importance of education. The faculty members of MMCC have also played a crucial role in the success of the program, showing enthusiastic engagement and commitment to the cause.

Overall, Unnat Bharat Abhiyan has facilitated the transformational change in rural development processes in these adopted villages by leveraging the expertise of MMCC and other higher educational institutions. The collaborative efforts aim to accelerate sustainable growth and improve the overall well-being of rural communities in India.

Dr.Sandip Anpat
Coordinator, UBA MMCC
