## REPORT ON TWO DAY WORKSHOP ON ENTREPRENEURIAL SKILL DEVELOPMENT

**Date:14/05/2022**

Department of Business Administration had organized a two-day workshop on 12<sup>th</sup> and 13<sup>th</sup> May, 2022 on "Entrepreneurial Skill Development". 55 students attended the workshop along with all the faculties.

Day 1 of the workshop started on 12<sup>th</sup> May, 2022 with the inaugural session. The inaugural session was wonderfully and smoothly conducted with the cooperation of all the faculties and student coordinators present for the event. The Resource Person and Chief Guest for the event was Dr. Manisha Jagtap. She shared her knowledge and expertise in the field of Entrepreneurship through a wonderful and informative presentation which consisted of various perspectives and information on entrepreneurship, who is an entrepreneur, what is a start-up, the type of schemes provided by the Government in developing and helping start-ups in the state and the various subsidies provided by each scheme.

Day 2 of the workshop was held on 13<sup>th</sup> May, 2022. The session was conducted by Mr. Sachin Parekh where he mentioned 10 different characteristics of an entrepreneur. Presentation was given on trust, risk-taking and entrepreneurship culture. The presentation was followed by a team-building exercise that all the students had to participate in to develop practical and application knowledge. The activity was followed by a Q&A session where the students were able to get their doubts cleared which led to the session being much more efficient and effective. The Q&A session was followed by the feedback on the session and then the vote of thanks which marked the end of the workshop.

## REPORT ON ONE DAY WORKSHOP ON IMPORTANCE OF IPR FOR START UPS

**Date:11/06/2023**

One-day workshop on "Importance of IPR for Start Ups" was conducted by Department of Business Administration on 10<sup>th</sup> June, 2023. Total 50 students attended the session. All the faculties graced the occasion with their presence.

The program commenced with the introduction of the day's resource person, Adv. Smita Koppal. Asst. Prof. Snehal Borkar delivered the welcome address, following which Adv. Smita Koppal proceeded with the session.

The workshop aimed to educate students about startup entrepreneurs and the significance of protecting their intellectual property assets and leveraging them to foster innovation, growth, and competitiveness in the market.

The workshop commenced with an overview of intellectual property rights and their importance for startups. Students were introduced to the various forms of intellectual property, including patents, trademarks, copyrights, and trade secrets. Case studies and examples were presented to illustrate how startups can protect their inventions, brands, creative works, and confidential information.

The workshop wrapped up with a question and answer session during which students had the opportunity to address their queries. Prof. Gurmeet Kaur Rajpal delivered a vote of thanks, marking the conclusion of the workshop.

**4. Termination:**

- a. This agreement shall terminate on the completion of term except for the clauses specifically mentioned below at 4b,4c and 4d.
- b. COMPANY&INSTITUTION may terminate this Agreement in the event of material breach of one's scope of work and such breach is not cured within thirty (30) days of written notice to the other of such breach.
- c. The COMPANY may terminate this Agreement for its sole convenience by giving thirty (30) days advance notice in writing/e-mail to the INSTITUTION. In such event INSTITUTION shall cease work immediately after receiving notice from the COMPANY unless otherwise advised by the COMPANY.

**5. Dispute Resolution:**

- a. This agreement shall be governed according to the Indian laws and each Party shall submit to the jurisdiction of the Courts at Hyderabad, Telangana, India.

- b. Any and all differences and disputes whatsoever arising between the Parties concerning the interpretation or implementation of this Agreement or in relation to the subject matter contained in this Agreement shall, in the first instance, be resolved mutually between the Parties and in the event of non-resolution, the matter shall be referred to arbitration.
- c. Arbitration proceedings shall be held in Hyderabad in accordance with the Arbitration and Conciliation Act, 1996 and procedures established for the purposes of regulating and determining matters relating to or arising from arbitration. Both the Parties shall mutually appoint one arbitrator failing which the dispute shall be decided by an arbitration panel consisting of 3 arbitrators. Each Party shall appoint one arbitrator and both the arbitrators so appointed shall appoint a third arbitrator, who shall preside over the arbitration proceedings. Any decision, determination or award of the Arbitrator/s shall be binding on the Parties. Unless otherwise decided by the arbitrator/s, the cost of arbitration shall be shared by the Parties in equal proportion.

#### 6. Indemnity:

6.1 The COMPANY shall, fully indemnify, defend, and hold harmless the INSTITUTION and its officers, Directors, employees, representatives, agents, respective directors, and assigns from and against any liability or any other loss, damage, whether incidental or consequential, that may occur, arising from or relating to:

- a. A breach, by the COMPANY of any of the terms, conditions, covenants, representations, undertakings, obligations, deficiencies, warranties, and compliance of applicable laws under this Agreement.
- b. The acts, significant errors, misrepresentations, willful misconduct or negligence of the COMPANY, its employees, in performance of its obligations under this Agreement.
- c. Termination of the agreement without giving sufficient notice as defined in clause 6 and particularly when the batches for training are scheduled.

Similarly, the INSTITUTION shall indemnify the COMPANY and its officers, Directors, employees, representatives, agents, respective directors, and assigns from and against any liability or any other loss, damage, whether incidental or consequential, that may occur, arising from or relating to:

- a. The acts, significant errors, misrepresentations, willful misconduct or negligence of the INSTITUTION, its employees, in performance of its obligations under this Agreement.
- b. A breach, by the INSTITUTION of any of the terms, conditions, covenants, representations, undertakings, obligations, deficiencies, warranties, and compliance of applicable laws under this Agreement.

#### 7. Confidentiality and use restriction:

- a. No information either disclosed by the INSTITUTION or acquired through any other means or known incidentally by the COMPANY, either marked confidential or not, shall not be shared or

used by the COMPANY or any other third party through the COMPANY, without prior written approval from the authorized signatory of the INSTITUTION.

- b. Information means: financial data, data (Includes all sources and object code if any), know-how, trade secrets, designs, plans, reports, customer and supplier lists, pricing information, marketing techniques, material related to business activities, manufacturing, design, development, or products acquired through the expenditure of time, effort and money, of a technical and business nature - business plans, content, market information, drawings, sketches, samples, devices, flow charts, compiled computer programs, algorithms, software source codes, firmware source codes, hardware, methods, processes, procedures, specifications, bills of materials, parts lists, descriptions or customer lists, description and data of participants, results of research, equipment, software, designs, samples, technology, technical, documentation, product or service specifications or strategies, marketing plans, pricing information, financial information, information related to existing, previous and potential suppliers, customers, contracts and products, inventions, unreleased software applications, methodologies and other know-how, drawings, photographs models, mock-ups, and design and performance specifications, production volumes, and production schedules which are owned, controlled or possessed by Company respectively whether provided in tangible form, by electronic media, by visual display or orally,

#### 8. Compliance with Applicable Laws:

Both parties ensure that all work performed within the scope of their work under this Agreement shall comply with all applicable Indian laws and regulations.

COMPANY shall be responsible to provide all required documentation and perform all necessary compliances under the GST Act to make Company eligible to claim the input tax credit of GST. In case Company is unable to claim the input tax credit due to but not limited to Service Provider failure to declare the correct information on the invoice and upload the same under GST portal viz. the amount, the place of supply, rate of tax etc., then the amount pertaining to the GST paid by COMPANY shall be refunded by Service Provider and the amount shall be recovered from Service Provider, as the case may be.

#### 9. Severability:

If any of the provisions of this Agreement are declared to be invalid or legally unenforceable, such provisions shall be severed from this Agreement and the other provisions hereof shall remain in full force and effect.

#### 10. Miscellaneous:

- a. This Agreement can be modified, amended, altered, extended based on mutual agreement in writing by both the parties and such amendment shall form part of this agreement from the date of its effect.
- b. Any notice, request or consent required or permitted to be given or made pursuant to this Agreement shall be in writing. Any such notice, request or consent shall be deemed to have been given or made when delivered in person to an authorized representative of the Party to whom the communication is addressed, or when sent by trackable courier, authorized e-mail, or fax to such Party at the address specified-in above.

- c. Nothing contained herein shall be construed as establishing a relation of master and servant or of principal and agent as between the INSTITUTION and the COMPANY
- d. No failure or delay by any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise of any other right, power, or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.
- e. The captions herein are included for convenience of reference only and shall be ignored in the construction or interpretation hereof.
- f. This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior written agreements, understandings, and negotiations, both written and oral, between the Parties with respect to the subject matter of this Agreement. No representation, inducement, promise, understanding, condition or warranty not set forth herein has been made or relied upon by any Party hereto

IN WITNESS WHEREOF the Parties hereto have hereunto set and subscribed their respective hands and seal at the day, month and year first herein above written.

#### 11. Registration & Certification

- g. a. D101 Google form Registration for all the years of Grads & Under Grads
- h. b. Baseline Assessment Survey Tool for Final Year Students of Grads & Under Grads
- i. Mgmt should support and ensure in registration & Certifications of D101 & BPM/IT Service Desk Assessment

# Foundation for Make It Happen Center for Invention, Innovation & Incubation (MMCIII)

A section 8 Company, Registration Number - 121234, CIN - U80301PN2020NPL194869

(Joint Collaboration of Tata Technologies Ltd., Science & Technology Park and Marathwada Mitramandal, Pune)

Ref. No. : MMM / MMCIII / 2020-21 / Cent / 03

Date : 25.07.2022

## To whomsoever it may concern

Marathwada Mitramandal's College of Commerce (MMCC) have MOU with Foundation for MakeItHappen Center for Invention, Innovation and Incubation (MMCIII) on date 9<sup>th</sup> July 2021.

Highlighted points of the MOU for AY 2021-2022 are:

- 1) To bridge the gap between Institute and Industry.
- (2) To Motivate and guide students those who are interested to startup their business/Startups.
- (3) To provide industry level training to enhance the skillset and overall development of the students.
- (4) MMCIII center have 35 startups in different domains, so these startups required some interns as well as an employee; so, here MMCC students will get direct benefit of working with company as well as employment in companies.

This is a good initiative taken by the Marathwada Mitramandal's College of Commerce (MMCC). Hope this MOU will help them to move forward up to some extent.

*Dr. C. R. Talathi*

**Welfare of Masses**

# **Information and Communication Technology (ICT) Policy**

Marathwada Mitra Mandal's College of Commerce (MMCC)

202/A Deccan Gymkhana, Pune 411004

Revised for AY 2022-23

## Objectives of ICT Policy.

- The Information and Communication Technology (ICT) applications cover the areas-teaching-learning, student evaluation, student data management networking and quality assurance.
- As an ongoing process, ICT applications shall take note of the rapid pace of technology changes.
- ICT policy management shall be integrated with the overall institutional development plan.
- ICT system management must ensure integrity, security and legitimate applications of ICT.

## ICT resources covered by policy.

- Desktop computers, laptops and terminals.
- Peripherals e.g., printers, scanners and multimedia devices like web camera, speakers, PA system.
- Mobile devices e.g., smartphones and tablets using college provided Wi-fi devices.
- Network switch wired, wireless, dialup and/or internet connections.
- Internet services e.g., world wide web, blogs and wikis.
- G Suite for Education, social networking or collaboration services such as blogs, chats, MMCC YouTube channel and forums.
- Application software, services and databases.

## Area of ICT applications

### 1. Admissions:

- College publishes admission related information over the website through an information brochure for better reach and visibility.
- College provides an online registration facility for prospective students through ERP.

### 2. Teaching and Learning:

- College has a G Suite for education (Basic plan). ICT enabled teaching-learning encompasses use of features of Google classroom as part of G Suite for Education.
- Students have access to the facility using mmcc.edu.in Email Id. The Email Ids are created using the nomenclature –
  - Student First Name
  - Year
  - Program Name
  - Roll Number
- College encourages teachers to develop digital learning resources of their own. They post learning resources on Classroom.
- Online lecture attendance through google id is compulsory.

### 3. Student Evaluation

- College creates online systems for internal assessment through Google Classroom by publishing quiz, assignments, etc. that have evaluation parameters and its weightage.
- The College encourages teachers to use an online evaluation system.
- The teachers are encouraged to create question banks and share them through repositories.

### 4. Unacceptable uses of ICT resources

- Attempt to access computers for which the concerned individual is not authorized.
- Unauthorized access to another user's files.
- Use of pen drive without permission.
- Deliberate unauthorized access to networked resources local or remote.

### 5. Student Online Activities

- Students participate using mmcc.edu.in email id in curricular /Co-Curricular /Extra Curricular activities in online mode during exceptional times to ensure all round development.

### 6. Ensure content Validity

- Individual units at the department level are responsible for the Content on all of their Web pages.

**Report On  
Unnat Bharat Abhiyan, MMCC**

Unnat Bharat Abhiyan is a significant initiative of the Government of India aimed at driving rural development through the collaboration of higher educational institutions and rural communities. MMCC, with its vision of promoting quality education and sustainable development, has taken part in this flagship program by adopting five villages in Pune district: Ambi, Agalambe, Zalanwadi, Matalwadi, and Gorhe.

In these villages, a substantial portion of the community comprises residents, spinners, farmers, and farm laborers, with agriculture and complementary businesses being the primary sources of livelihood. While primary education facilities are available, there is a notable lack of interest in education among some backward communities, leading to a high dropout rate at the primary level. Many children are deprived of education as they accompany their parents to work in wage labor, rather than attending school.

To address these challenges, MMCC, as part of Unnat Bharat Abhiyan, has engaged with village stakeholders, including the Sarpanch, Gram Sevak, and other Panchayat members. The motto and objectives of the program were discussed with them, fostering an understanding of the shared goals. Additionally, a household survey was conducted to gain insights into the specific needs and requirements of the villages.

To improve healthcare in these rural areas, health camps were organized, providing primary health checkups for villagers and school children. Specific initiatives like breast cancer awareness and checkups were conducted in collaboration with hospitals.

Furthermore, to encourage education and mentorship opportunities in these villages, four-day value education programs were held at the schools. Through these initiatives, students benefited from enhanced educational facilities and were exposed to issues prevalent in rural areas. The student volunteers actively participated in all activities, witnessing positive role models and gaining insights into moral values, gender equality, respect, and the importance of education. The faculty members of MMCC have also played a crucial role in the success of the program, showing enthusiastic engagement and commitment to the cause.

**Students and faculties actively participating in various initiatives undertaken by MMCC**

Overall, Unnat Bharat Abhiyan has facilitated the transformational change in rural development processes in these adopted villages by leveraging the expertise of MMCC and other higher educational institutions. The collaborative efforts aim to accelerate sustainable growth and improve the overall well-being of rural communities in India.

Dr.Sandip Anpat  
Coordinator, UBA MMCC

Dear Sir/Madam,

Congratulations to all the Participating Institutions (PIs) selected under Unnat Bharat Abhiyan, a flagship program of Ministry of Human Resource Development (MHRD) Government of India through a challenge mode application. The Mission of Unnat Bharat Abhiyan is to enable participating higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

As per the programme, educational institutions is primarily to develop linkage with selective rural clusters (preferably of five villages), to get involved in the planning process and to promote the requisite S&T interventions to improvise and expedite the developmental efforts in those clusters. The approach is a departure from the grant oriented method and would see the participation and commitment of faculty and students in this endeavour.

We shall be processing release of Rs. 10000/- per village under the UBA program. The funds are mainly meant for assistance for awareness, Gram Panchayat Development Plan (GPDP) study, need assessment, and contingency expenditure. There are provision of Rs 1.0 lakh for technological intervention/ solution and Rs 0.50/- lakh for customization of a technological solution under the program. Which you can avail of afterwards by submitting proposals with ratification of the Gramsabha. A two-way channel between PIs and National Coordinating Institute (NCI) as well as Subject Expert Groups (SEGs) for project proposal submission and evaluation has been developed and functional on UBA portal. You can use your login credential for uploading proposals on UBA website '**FINANCIAL AIDS**'. The login credentials are same as your registration login credentials.

You are also requested to keep IIT Delhi, the National Coordinating Institute updated about your activities so that the same can be uploaded on the website of UBA.

**Regards and best wishes for your institution for contributing to India's development.**

With regards

Your Sincerely,

MARATHWADA MITRA MANDAL'S

**IIRS ISRO Nodal Center**

**Report on**

**Chandrayaan-3 Landing Event organized by Nodal Center**

**On 23rd August 2023**

IIRS ISRO MMCC Nodal Center organized a special event to commemorate the landing of Chandrayaan-3, India's third lunar exploration mission. The event aimed to celebrate India's accomplishments in space exploration and encourage students to pursue careers in STEM fields. It provided students with an opportunity to witness the historic moment of Chandrayaan-3's landing and engage in educational activities related to space exploration.

**MMCC**  
**ISRO Nodal Center**  
**Chandrayaan -3 Landing**  
**23 Aug. 2023**

**Students and faculties witnessing the historic moment of Chandrayaan-3's landing.**

#### Event Highlights:

**Live Broadcast of Landing:** A large screen was set up in the college auditorium to broadcast the live coverage of Chandrayaan-3's landing. Students gathered in the auditorium to witness the historic event unfold in real-time, experiencing the excitement of space exploration.

**Expert Views:** Eminent scientists and space experts provided online views on India's space missions, the significance of Chandrayaan-3, and the future of lunar exploration. Online talks aimed to educate students about the scientific objectives of the mission and its potential contributions to our understanding of the Moon.

**Interactive Sessions:** Interactive sessions were conducted to engage students in discussions about space exploration, lunar geology, and the challenges of landing on the Moon. Students had the opportunity to ask questions and interact with the experts, enhancing their understanding of space science.

#### Outcome:

The Chandrayaan-3 landing event was highly successful in engaging students and fostering interest in space exploration. It provided an enriching learning experience and inspired students to consider careers in STEM fields, particularly aerospace engineering, astronomy, and planetary science. The event also promoted scientific literacy and raised awareness about India's achievements in space research among the student community.

#### Conclusion:

The Chandrayaan-3 landing event organized by IIRS ISRO Nodal Center MMCC served as a platform for students to celebrate India's space achievements and explore the exciting field of space science and technology. By providing opportunities for learning, interaction, and inspiration, the event contributed to nurturing a new generation of scientists and engineers passionate about space exploration.

**12. PEHEL 2022 या उपक्रमात आपल्या MMCC NSS च्या स्वयंसेवकांचा सक्रियपणे सहभाग:\***

रविवार दि. 16 ऑक्टोबर 2022 रोजी आपल्या मराठवाडा मित्र मंडळ वाणिज्य महाविद्यालयाच्या राष्ट्रीय सेवा योजनेच्या विद्यार्थ्यांनी PEHEL 2022 (Plastic and E-waste Handling for Eco- friendly Lifestyle) या इ कचरा आणि प्लास्टिक कचरा संकलन व व्यवस्थापन आणि जाणीवजागृती उपक्रमात सक्रियपणे सहभाग घेतला.

सदर उपक्रम पुणे महानगरपालिका, आदर पूनावाला स्वच्छ शहर उपक्रम, जनवानी संस्था, कमिन्स इंडिया फाउंडेशन इत्यादी संस्थांच्या सहयोगाने सकाळी 8 ते दुपारी 2 या वेळेत राबविण्यात आला होता.

सदर उपक्रमाचे उद्घाटन चित्तरंजन वाटिका, शिवाजीनगर येथे पुणे महानगरपालिकेचे आयुक्त मा. श्री. विक्रम कुमार यांच्या हस्ते करण्यात आले. याप्रसंगी पुणे मनपाचे नवनियुक्त स्वच्छतादूत म्हणून सुप्रसिद्ध कवी, गीतकार आणि लेखक डॉ. सलील कुलकर्णी तसेच आंतरराष्ट्रीय कीर्तीच्या टेनिसपटू ऋतुजा भोसले उपस्थित होते.

महाविद्यालयातील विद्यार्थ्यांनी याप्रसंगी पर्यावरण संवर्धनाविषयी पथनाट्य सादर करून ई कचरा आणि प्लास्टिक कचरा संकलन आणि व्यवस्थापनाबाबत जाणीव जागृती केली. महाविद्यालयातील 48 विद्यार्थ्यांनी सदर उपक्रमात सक्रियपणे सहभाग नोंदविला.

पुणे मनपा आयुक्त श्री विक्रम कुमार आणि डॉ. सलील कुलकर्णी यांनी याबाबत विद्यार्थ्यांचे कौतुक केले तसेच तरुणाईच्या या पर्यावरण संवर्धनाच्या विधायक कार्यातील सहभागाबाबत आनंद व्यक्त केला.

महाविद्यालय स्तरावर प्राचार्य डॉ. देविदास गोल्हार, प्रा. एस. एम. एडके यांच्या मार्गदर्शनाखाली सदर उपक्रम यशस्वीपणे पार पडला. राष्ट्रीय सेवा योजना कार्यक्रम अधिकारी प्रा. प्रवीण कड, प्रा. सुशील गंगणे यांनी कार्यक्रमाचे नियोजन केले.

## **REPORT ON ONE DAY WORKSHOP ON STEPS INVOLVED IN PREPARING A PROJECT REPORT**

**Date:14/10/2022**

On 13<sup>th</sup> October 2022, Department of Business Administration had organized a one day workshop on "Steps Involved in Preparing a Project Report." 77 students attended the workshop along with all the faculties.

The program started with the welcoming of the resource person for the day, Dr. Ashwini Kulkarni. The welcome address was given by Asst. Prof. Gurmeet Kaur Rajpal and the session was taken ahead by the resource person thereafter.

The workshop began with an overview of the purpose and significance of a project report. The workshop focused on identifying the essential components of a project report, including the executive summary, introduction, methodology, findings, conclusions, and recommendations. Emphasis was placed on the importance of each section in conveying the project's objectives and outcomes effectively.

The session concluded with addressing student's doubts. Vote of thanks was proposed by Dr. Kalpana Vaidya

(57) Abstract :

The present disclosure relates to a dielectric spectroscopy sensor system for measuring liquid , solids dielectric constant, wherein a microcontroller based system is employed. With the help of a function generator that produces the appropriate frequency, the suggested system uses the microcontroller's features to measure the dielectric constant of liquids. The function generator XR2206, the P89v51RD2 microprocessor with LCD display, and a specially developed dielectric cell are the components of the hardware design of the created dielectric spectroscopic sensor for detecting the dielectric constant of liquid using a microcontroller. The developed sensor system is cost-effective, lightweight, and simple to use without any programming expertise.

(57) Abstract :  
 The system comprises a plurality of sensors (102) for measuring a plurality of parameters such as the humidity, the soil moisture and temperature in the polyhouse; a plurality of signal conditioning device (104) connected to the plurality of sensors for optimizing captured analog signals obtained from each of the plurality of sensors (102); an analog multiplexer (106) connected to each of the plurality of signal conditioning device (104) for data acquisition; a controller (110) connected to the converter (108) for generating a plurality of instructions to control the analog multiplexer (106), wherein the humidity data is collected based on a first instruction, the soil moisture data is collected based on a second instruction and the temperature data is collected based on a third instruction; and a display and a control module (112) connected to the controller (110) for displaying the plurality of parameters sensed by the plurality of sensors (102)
