Activity report on Importance of Value based education by ISKCON

In order to provide value based education to students , develop their soft skills, teach them practical methods of controlling their negative behavioral patterns, and self management . To learn and to be consistent with Life skills and leadership qualities among the students, our college entered into the Linkage/collaboration with ISKCON, Pune.

In connection with this , one guest session was organized for the students. This session focused on the valuable insights on character development and ethical education.

The primary objective of the held session was incorporating Spiritual Values into Education: ISKCON's educational institutions often integrate spiritual values derived from the teachings of Bhagavad Gita and other Vedic scriptures into their curriculum. These values include compassion, truthfulness, self-discipline, and service to others.

Due to the start of the pandemic , this session was conducted online for the FYBSC(CS) students. Total students present for this session were 88.
