On Line Lecture Attendance

The screenshot displays a video player interface. The main content is a Microsoft Word document titled 'Document1 - Microsoft Word'. The document text reads: 'Mode using graphically', 'Mode is obtained graphically using Histogram', and 'Histogram is the series of adjacent rectangles erected on x axis with class as base and height of the rectangle is proportional to frequency of the class.' Below the text is a histogram with the x-axis labeled 'Class' and values 0-10, 10-20, 20-30, 30-40, 40-50. The y-axis represents frequency, ranging from 0 to 9. The 30-40 class has the highest frequency of 8. To the right of the document is a video feed of the instructor, Charushila Nigudkar. The video player controls at the bottom show a play button, a progress bar at 5:18 / 20:42, and other standard controls.
