Thinking, Innovation and Research'**

The Department of Computer Science organized a research orientation program for students of BBA(CA) and BSc(CS) on 12th February 2022 as part of inculcating research culture amongst the students.

The guest speaker Prof. Shashikant Shinde, associated with MMCIII, oriented the students on various ICT technologies that aid in undertaking research work. He elaborated on the current area of research in Artificial Intelligence, Internet of Things, Data Analytics etc and their applications in different fields and sectors.

The 141 students found the online session interactive and interesting and motivated all for organizing more such programs.

**IIRS ISRO Nodal Center**

**Report on  
Certificate Course of  
"Fundamentals of Remote Sensing and GIS Technology (Course in Hindi)".  
Held online during 14th September to 28th September 2022.**

**Overview:**

The Fundamentals of Remote Sensing and Geographic Information Systems (GIS) Technology (Course in Hindi) Certificate Course was conducted by the IIRS ISRO MMCC Nodal Center during 14th Sept. to 28th Sep. 2022. The course aimed to provide participants with a comprehensive understanding of remote sensing principles, GIS applications, and their integration for various environmental and geospatial analyses.

**Objectives:**

- To introduce participants to the basic principles and concepts of remote sensing.
- To familiarize participants with the fundamentals of Geographic Information Systems (GIS).
- To demonstrate the integration of remote sensing and GIS for spatial analysis and decision-making.
- To provide hands-on experience with popular remote sensing and GIS software tools.

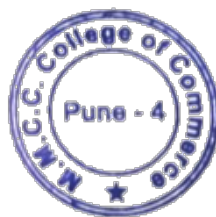

**Participants:**

A total of 10 students have successfully completed the course.

**Course Content:**

The course curriculum was structured to cover the following topics:

- Introduction to Remote Sensing
- Remote Sensing Platforms and Sensors
- Image Interpretation Techniques
- Basics of GIS and Spatial Data
- Data Acquisition and Pre-processing
- Spatial Analysis and Modeling
- Applications of Remote Sensing and GIS
- Hands-on Training with Software Tools (e.g., ArcGIS, QGIS, ENVI, ERDAS Imagine)

**Methodology:**

The course employed a combination of lectures, practical demonstrations, hands-on exercises, and interactive sessions to facilitate learning. Participants were provided with study materials, software tutorials, and datasets to reinforce their understanding. Experts from ISRO were to provide insights into real-world applications and advancements in remote sensing and GIS technology.

**Outcomes:**

Upon completion of the course, participants gained a solid foundation in remote sensing principles, GIS techniques, and their integration for spatial analysis. They developed practical skills in handling remote sensing data, performing geospatial analyses, and generating meaningful outputs for decision support. The hands-on training sessions equipped them with the necessary proficiency in using popular software tools for remote sensing and GIS applications.

**Conclusion:**

The Fundamentals of Remote Sensing and GIS Certificate Course conducted by the [Nodal Center Name] proved to be a valuable learning experience for participants, empowering them with knowledge and skills essential for tackling diverse environmental and geospatial challenges. The course received positive feedback from attendees, highlighting its relevance, comprehensiveness, and practical applicability in their respective fields.

**Report: Research Orientation Program on Awareness on Startup**

Date: 24th February 2022

Venue: MMCI, Karvenagar Pune

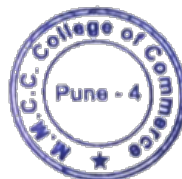

Organizers: MMCC & MMCI Make it Happen Center for Invention, Innovation & Incubation

Resource Person: Mr. Jahir Khatib, Engineer, TATA Technology

Under the memorandum of understanding (MoU) signed between MMCC and MMCI Make it Happen Center for Invention, Innovation & Incubation, a comprehensive awareness program on startups was conducted on 24th February 2022 at MMCI. Total 26 students participated in the program. The program aimed to familiarize students with various aspects of startups, including emerging areas, requisite skills, motivation, and addressing pertinent issues.

Program Objectives:

1. Educate students about new startup opportunities.
2. Discuss essential skills necessary for startups.
3. Motivate students to consider entrepreneurial endeavors.
4. Delve into different challenges and issues pertinent to startups.

Visit to MMCIII for Awareness on Startup

#### Event Overview:

The Research Orientation Program 'Awareness on Startup' commenced with an inaugural address by the organizing committee, emphasizing the significance of fostering an entrepreneurial spirit among students. Mr. Jahir Khatib, an esteemed Engineer from TATA Technology, led the sessions throughout the day, imparting invaluable insights derived from his extensive experience in the industry.

#### Key Highlights:

1. Exploration of Emerging Startup Areas: Mr. Khatib elucidated various burgeoning sectors ripe for entrepreneurial ventures, ranging from technology-driven innovations to sustainable solutions addressing contemporary challenges.
2. Discussion on Essential Skills: The session underscored the indispensable skills requisite for navigating the startup landscape successfully. Topics encompassed strategic planning, market research, financial management, and adaptability in dynamic environments.
3. Motivational Address: Mr. Khatib shared anecdotes and success stories, inspiring students to cultivate resilience, creativity, and perseverance essential for entrepreneurial pursuits.

4. Addressing Challenges: Interactive discussions facilitated an open dialogue regarding the myriad challenges confronting startups, including funding constraints, regulatory hurdles, and market competition. Practical strategies and best practices were deliberated to empower students in overcoming such obstacles.

Conclusion:

The Research Orientation Program 'Awareness on Startup' proved to be an enlightening and empowering initiative, equipping students with the requisite knowledge, skills, and motivation to embark on entrepreneurial ventures confidently. The event fostered a culture of innovation and enterprise, aligning with the overarching objectives of MMCC and MMCIH in nurturing future leaders and change-makers.

Acknowledgments:

We extend our heartfelt gratitude to Dr. C. R. Talathi, Head, MMCIH and Mr. Jahir K, Engineer, TATA Technologies.

## Report on Session on Management Lesson Through Cricket.

The Department of Commerce had organized the session on “Management Lessons Through Cricket” on Thursday, 15<sup>th</sup> September, 2021 at 10.30 am. by online Google Meet platform.

This guest lecture explained how playing cricket can be a great way to learn and grasp important management concepts that apply to both the business and the playing fields. With a great deal of excitement, Mr. Mohankumar gave the students a lecture.

A number of management topics, such as collaboration, strategy, leadership, flexibility, and performance management, are well-represented by the guest. 123 B.Com students had gained a comprehensive understanding of management ideas that they can use on and off the field by comprehending these analogies.

## **Report on Session on "Post Covid Challenges in Career"**

The Department of Commerce had organized the session on "Post Covid Challenges in Career" on Friday, 24 September 2021 · 11:00am – 12:30pm. by online Google Meet platform.

It was necessary to conduct this session because globally, the COVID-19 epidemic has caused previously unheard-of upheavals to companies, economies, and individual careers. Understanding the post-COVID problems and solutions to overcome them is essential for B. Com students getting ready to enter the industry. With the goal of giving students the tools and perspective they need to succeed in the post-pandemic world, this workshop attempted to offer insights into the changing landscape of employment options.

Mr. Vivek Velankar, a counselor, delighted the occasion by offering fresh perspectives. The guest expressed his opinion as B.Com. students begin their professional careers, the post-COVID age offers both opportunities and challenges. Students can set themselves up for success in the changing labour market by embracing remote work, digital transformation, flexibility, networking, and ongoing learning. In order to navigate through uncertainty and forge rewarding jobs in the post-pandemic world, it is essential to have a resilient attitude and proactive approach.

**Report on Induction Sessions "Young Mindset" and "Self Awareness"**

The induction session on "Young Mindset" and the "Self-Awareness Session" were conducted on September 23, and September 25, 2021 respectively, for the students of FY BBA CA / BSc CS. Mrs. Dhanashree Ghare, Student Counselor at MMCC, conducted the induction lecture, and Mini Mathews, a Counselor & Social Worker, led the self-awareness session.

**Young Mindset Lecture Highlights:**

Mrs. Dhanashree Ghare initiated the induction session with an insightful discussion on cultivating a young mindset. The lecture emphasized the importance of having a proactive approach towards learning, adapting to changes, and embracing new opportunities. Mrs. Ghare emphasized the significance of resilience, innovation, and open-mindedness in navigating the challenges and opportunities in the contemporary world. The session encouraged students to foster a growth-oriented mindset to thrive in their academic and professional endeavors. Total 120 students attended this session.

**Self Awareness Session Highlights:**

Mini Mathews conducted an engaging session on self-awareness, focusing on introspection, understanding emotions, and personal development. The session provided students with practical tools and techniques to enhance self-awareness, self-regulation, and emotional intelligence. Through interactive exercises and discussions, students gained insights into their strengths, weaknesses, values, and goals, enabling them to make informed decisions and navigate life challenges effectively. A count of 119 students participated.

The interactive nature of the sessions facilitated meaningful engagement and encouraged students to reflect on their aspirations, values, and goals. Both Mrs. Dhanashree Ghare and Mini Mathews contributed significantly to the success of the sessions, leaving a positive impact on the students' mindset and self-awareness.

**Date:** 11<sup>th</sup> Dec '21

**Time:** 11 am

**Venue:** Department of Journalism and Mass Communication

**Speaker:** Dr. Parag Karandikar (Editor of Maharashtra Times)

**Brief description of the event:**

MMCC's Department of Journalism and Mass Communication organized a formal induction for the new batch of academic year 2021-22 on the date 11<sup>th</sup> December 2021, Saturday. A workshop on the topic 'Challenges and New Opportunities in New Media' was delivered by Dr. Parag Karandikar, editor of Maharashtra Times; followed by an informal event organized by the second-year students.

As the society is constantly changing and evolving with the technology, the media world needs to also adapt to it. The students of journalism and mass communication of today need to understand the dynamisms and the challenges arising in the field of media with these technological changes coming into picture. Dr. Karandikar, with a vast industry experience and a media person, shed light on these topics as well as the opportunities in the professional world that the students can grab on.

The induction was also graced by our Principal Dr. Devidas Golhar.

**Name of the event:** Three Day Workshop on 'Reservation Policy and Indian Constitution in India'

**Date:** 13-14-15 December

**Time:** 11:30 am -2:00pm

**Venue:** DCJ Classroom-1

**Name of the Resource Person:** Shri. Hari Narake

**Brief description of the event:** Hari Narake is a well known personality for his expertise on democracy and Indian Constitution. The social reservation policy in India is a subject of multifaceted layers and a study of critical analysis for media reporting. Students of the media profession should know the historical background, the political scenarios and an objectivity in terms of the reservation policy in India. The secular and democratic perspective becomes a crucial aspect as well as an intellectual skill to look such complex issues. Hari Narake Sir conducted the workshop in a three days series. Day-1 he covered the historical aspects of the Indian society and disparity; Day-2 he shed light on the views of Dr. B.R Ambedkar and the entire drafting committee of the constitution and their views; on Day-3 he commented upon the Maratha Reservation aspects in Maharashtra and its complexities in terms of its implementation.

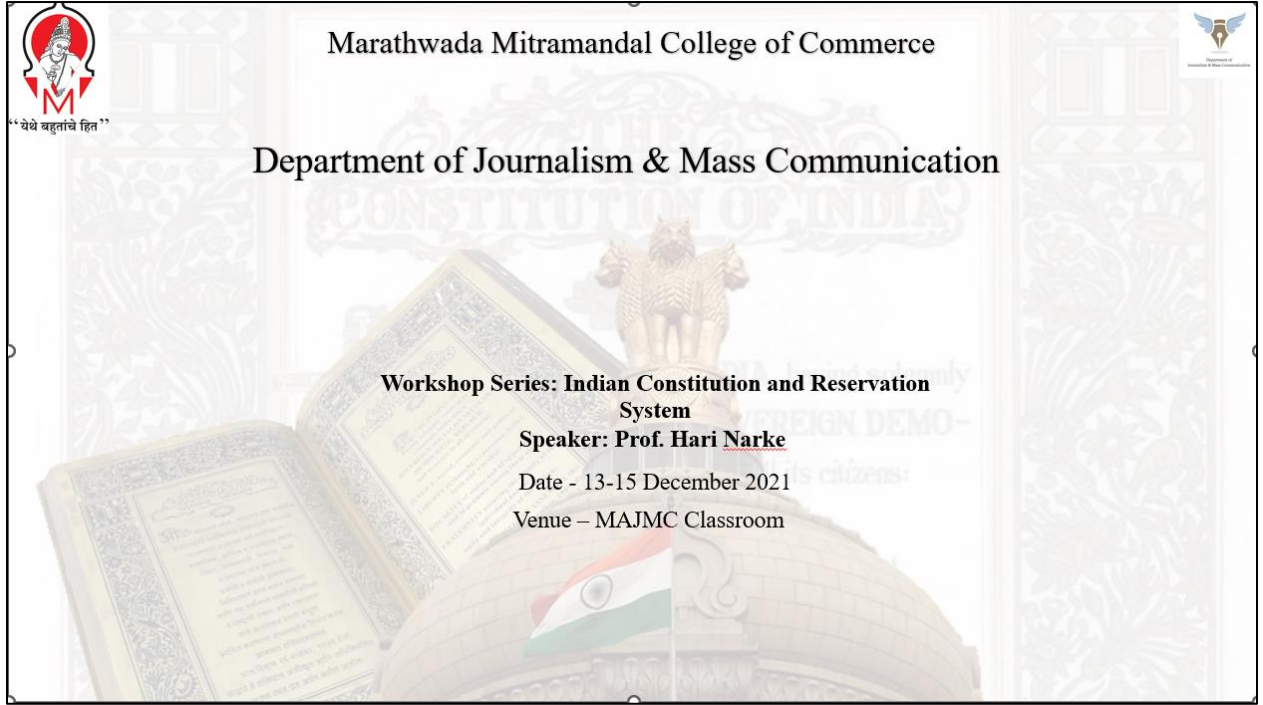

Students keenly listened all the three lectures and asked several questions. Head of Department Prof. Shenai welcomed Narake Sir, Prof. Swapnil Kamble presented vote of thanks.
