## To whomsoever it may concern

Marathwada Mitramandal's College of Commerce (MMCC) have MOU with Foundation for MakeItHappen Center for Invention, Innovation and Incubation (MMCIII) on date 9<sup>th</sup> July 2021.

Highlighted points of the MOU for AY 2021-2022 are:

- 1) To bridge the gap between Institute and Industry.
- (2) To Motivate and guide students those who are interested to startup their business/Startups.
- (3) To provide industry level training to enhance the skillset and overall development of the students.
- (4) MMCIII center have 35 startups in different domains, so these startups required some interns as well as an employee; so, here MMCC students will get direct benefit of working with company as well as employment in companies.

This is a good initiative taken by the Marathwada Mitramandal's College of Commerce (MMCC). Hope this MOU will help them to move forward up to some extent.

## Notice

The Department of Computer Science in collaboration with CIII center MMCOE and TATA technology is organizing a 24 hours paid course on "3D Printing-Additive Manufacturing with reverse Engineering". The course is scheduled from 19/09/2022 to 25/09/2022.

### OUTCOME FROM COURSE:

- 1) Course completion certificate from TATA Motors
- 2) Hands - On training for better placement opportunities.(as there is demand for this technology)
- 3) 2 credits for the course
- 4) Life-time Facility of using MMCOE CIII center lab.

Interested students should contact Prof. Swati Shelar before 07-09-2023 till 4.00 pm.

**Workshop Report:**  
**Additive Manufacturing with Reverse Engineering - 3D Printing**

In collaboration with the CIII Center, our college organized a workshop on Additive Manufacturing with Reverse Engineering - 3D Printing, aimed at equipping students with advanced technological skills in the field of engineering. The workshop was conducted in two batches, with a total of 28 students benefiting from this enriching experience.

**Workshop Details:**

1st Batch (7th June 2022 - 15th June 2022):

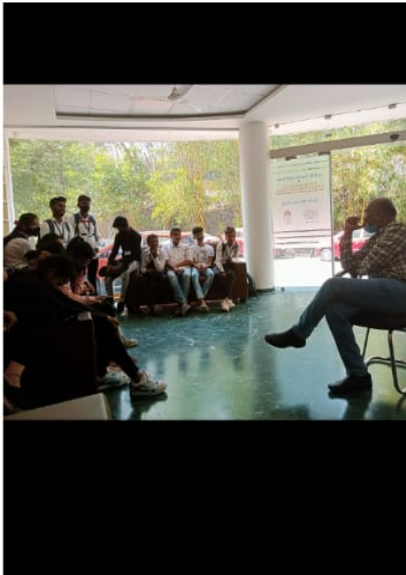

- The first batch of 10 students participated in the workshop, which ran from the 7th of June 2022 to the 15th of June 2022.
- The sessions in this batch covered fundamental concepts of Additive Manufacturing, Reverse Engineering, and 3D Printing.
- Hands-on practical exercises allowed students to apply their newfound knowledge, creating tangible objects using 3D printing technology.
- Instructors and facilitators provided personalized guidance to ensure a comprehensive understanding of the subject matter.
- Participants actively engaged in group discussions and problem-solving activities fostering a collaborative learning environment

3D printing certificate course participants

## Glimpses of 3D Printing Course

### 2nd Batch (19th September 2022 - 25th September 2022):

- The second batch comprised 18 students, and their workshop took place from the 19th of September 2022 to the 25th of September 2022.
- Building upon the foundation laid by the first batch, the second batch delved deeper into advanced applications of Additive Manufacturing and Reverse Engineering.
- Participants were encouraged to work on real-world projects, applying their skills to solve engineering challenges.
- The workshop emphasized the importance of innovation and creativity in leveraging 3D printing technology for engineering solutions.

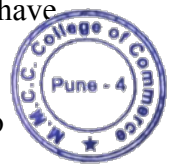

## 3D printing certificate course participants

### Outcomes and Benefits:

- A total of 28 students from diverse engineering disciplines completed the workshop.
- Participants gained a comprehensive understanding of Additive Manufacturing, Reverse Engineering, and 3D Printing, enabling them to explore new dimensions in their chosen fields.
- The hands-on experience allowed students to design and fabricate prototypes, fostering practical skills that will be invaluable in their future careers.
- Exposure to cutting-edge technology has made our students more competitive in the job market, as they are now equipped with skills highly sought after by industries. The collaboration between our college and the CIII Center in organizing the Additive Manufacturing with Reverse Engineering - 3D Printing workshop has been a resounding success. A total of 28 students have benefited from this initiative, enhancing their engineering skills and preparing them for promising careers in the rapidly evolving field of advanced technology. We look forward to

further collaborations and workshops that empower our students with the knowledge and skills required to excel in their respective fields.

## **Report on Guest Session: "Bouncing Back & Building Resilience"**

Date:12-08-2022

Time: 10:00 am to 12:00 pm

Location: Room no. 8, MMCC,Deccan

On 2-08-2022, a guest session on the topic of "Bouncing Back & Building Resilience" was organized by the Department of Computer Science at MMCC,Deccan. The session aimed to provide attendees with valuable insights and practical strategies for developing resilience in the face of adversity. The guest speaker for the session was Mrs. Dhanashree Ghare.

The session began with welcoming remarks and an introduction of the guest speaker. Mrs. Dhanashree Ghare shared their background and expertise in the field of resilience and personal development. The guest speaker started by defining resilience and explaining its importance in today's rapidly changing and often challenging world. They emphasized that resilience is not about avoiding difficulties but rather about effectively navigating and learning from them. She also discussed various factors that contribute to building resilience. She provided practical strategies for developing resilience. She shared personal stories and real-life examples to illustrate these strategies. Attendees had the opportunity to share their own experiences and challenges related to resilience, fostering a sense of community and shared learning. The session concluded with a question-and-answer session where attendees had the chance to seek clarification on specific topics and receive personalized advice from Mrs. Dhanashree Ghare.

The guest session on "Bouncing Back & Building Resilience" was both informative and inspiring. Attendees left the session with a deeper understanding of resilience and practical strategies to apply in their personal and professional lives. The event not only provided valuable insights but also created a platform for meaningful discussions and networking opportunities.

**Name of the event:** Two-Day Workshop on Business Communication

**Date:** 14<sup>th</sup> Mar & 25<sup>th</sup> Mar 2023

**Time:** 11 am – 1 pm

**Venue:** Department of Journalism and Mass Communication

**Speaker:** Ms. Bharti Motwani (Founder, Groomify)

**Brief description of the event:**

MMCC's Department of Journalism and Mass Communication organized a two-day workshop on Business Communication in the academic year 2022-23 on the dates March 14 and 25, Saturday. The workshop was conducted by Ms. Bharti Motwani, who is a soft skills and communication skills experts is the founder of Groomify, a platform for assisting clients in developing the skills they require through her industry-specific and insight-driven training programmes.

**Day One (14<sup>th</sup> March 2023, Saturday)** – Ms. Bharti started the workshop with basics of communication and business skills and the session involved email etiquettes. These skills are required in a dynamic and business-driven world and proved to be helpful for the students considering their future goals in public relations and corporate field. The students were given an assignment of writing an email to their faculty on the topic 'Asking for extension/clearance of the assignment/assignment topic)

**Day Two (25<sup>th</sup> March 2023, Saturday)** – The second day of the workshop started with the basics of business communication and corporate meetings. Ms. Bharti majorly focused on presentation skills and what are the dos and don'ts of the corporate culture. The students were each asked to make two-minute presentation video following the workshop

As the media industry is constantly evolving into more of a corporate structure, the students of journalism and mass communication of today need to understand the dynamics and challenges in accords to this. So, this workshop helped the students to be more futuristic and industry ready.

## Report on Workshop on Intellectual Property Rights.

**Name of the event:** Workshop on Intellectual Property Rights

**Date:** 18/05/2023

**Time:** 9.00am to 11.00am

**Mode:** Online (Google Meet)

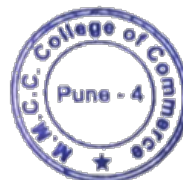

Workshop on Intellectual Property Rights was organized by the Department of Business Administration on 18/05/2023 for all the students of our college. More than 220 students actively participated in the workshop.

Adv.Rutuja Purohit was invited as a resource person for the above workshop. She gave proper guidance to the students about all basic concepts of Intellectual property Rights. She covered the important IPR's like Patent, Trade mark, Design, Copy Right and Geographical Indication with help of famous examples. Session was interactive where students involved in the discussion and in question answer session.
