Report on

Cyber Security

As part of IQAC initiative Online workshop on "Cyber Security" was organized on 13th March 2021 for the students of second and third year. Around 100 students attended the online session that was conducted by Ms. Seema Dixit, Senior Security Consultant in IQSPL Pvt. Ltd., Pune. The session focused on software online tools and techniques for understanding cyber security, data security, mobile security etc. The students showed keen interest in these online tools and posed many queries related to the certification too.

The workshop likely provided practical insights into real-world cyber security challenges and solutions. The session also included case studies or examples to illustrate concepts and demonstrate the importance of cyber security in various contexts. Furthermore, the interaction between the students and Ms. Dixit would have fostered a dynamic learning environment, encouraging active participation and engagement throughout the session. Overall, the workshop likely served as a valuable educational opportunity, empowering students with knowledge and skills essential for navigating the digital landscape securely.

Report on Guest Lecture

Date: 11 Dec 2020
Guest Speaker: Advocate Dhananjay Dhainje
Topic: "Cyber Crime and Cyber Security"

BBA/BBA-IB in Marathwada Mitra Mandal's College of Commerce had conducted a guest lecture on 11 December 2020 on online platform (i.e. Google Meet). All the students (total 73) of SYBBA Finance Specialiastion were present at this knowledge sharing session. This lecture was delivered by Advocate Dhananjay Dhainje. The guest lecture was scheduled to start at 12 pm.

The guest lecture started by Prof. Snehal Borkar giving a brief introduction of Mr. Dattatray Bhagwan Dhainje to the students. Mr. Dhainje has done B.E in Information Technology from Pune University with First class. He has also done M.B.A in Technology from Savitribai Phule Pune University. He also holds a 3 rd rank in L.L.B from Savitribai Phule Pune University. He is also a Gold Medallist in Cyber from Savitribai Phule Pune University. He has also completed his L.L.M with first class from Shankar Rao Chavan Law College Pune . He is a PHD scholar from MNLU Nagpur.

Dhainje sir initiated the lecture by emphasis on the significance of data. He stated that we should always choose multifactor authentication for logging to our Bank Account, Social Networking or all kinds of accounts which we are using on the virtual space.

Later on he gave some tips for staying away from such cyber frauds and attacks such as: always keep back up of your computer or mobile data, always enable POP-UP blockers on all browsers, always verify the identity of the contacting person, not to forward the forwarded message without knowing the authenticity of the content of message., always be cautious of any Email Attachments that advises you to enable macros in MS OFFICETO view its content, avoid chatting with stranger over the internet because Cyber criminals are always looking for innocent victims, not to click on the hyperlinks asking for "VERIFY YOUR ACCOUNT" or Login in any email or account, do not keep same password for all accounts, etc. because sometimes hackers or some viruses or malwares can harm your data which is stored on your mobile /PC /Laptop.

The lecture was of great success. It helps students to know about something new and prepare themselves for something innovative and new. The Lecture came to an end with the Vote of Thanks by the Prof. Snehal Borkar.
