Report on Guest Lecture

Date: 24-Nov 2021

Guest Speaker: Advocate Dhananjay Dhainje

Topic: "Cyber Crime and Cyber Security"

BBA/BBA-IB in Marathwada Mitra Mandal's College of Commerce had conducted a guest lecture on 24 Nov 2021 on online platform (i.e. Google Meet). All the students of SYBBA Finance Specialisation were present at this knowledge sharing session. This lecture was delivered by Advocate Dhananjay Dhainje. The guest lecture was scheduled to start at 12 pm.

The guest lecture started by Prof. Snehal Borkar giving a brief introduction of Mr. Dattatray Bhagwan Dhainje to the students. Mr. Dhainje has done B.E in Information Technology from Pune University with First class. He has also done M.B.A in Technology from Savitribai Phule Pune University. He also holds a 3rd rank in L.L.B from Savitribai Phule Pune University. He is also a Gold Medallist in Cyber from Savitribai Phule Pune University. He has also completed his L.L.M with first class from Shankar Rao Chavan Law College Pune. He is a PHD scholar from MNLU Nagpur.

Dhainje sir initiated the lecture by emphasis on the significance of data. He stated that we should always choose multifactor authentication for logging to our Bank Account, Social Networking or all kinds of accounts which we are using on the virtual space.

Later on he gave some tips for staying away from such cyber frauds and attacks such as: always keep back up of your computer or mobile data, always enable POP-UP blockers on all browsers, always verify the identity of the contacting person, not to forward the forwarded message without knowing the authenticity of the content of message., always be cautious of any Email Attachments that advises you to enable macros in MS OFFICETO view its content, avoid chatting with stranger over the internet because Cyber criminals are always looking for innocent victims, not to click on the hyperlinks asking for "VERIFY YOUR ACCOUNT" or Login in any email or account, do not keep same password for all accounts, etc. because sometimes hackers or some viruses or malwares can harm your data which is stored on your mobile /PC /Laptop.

The lecture was of great success. It helps students to know about something new and prepare themselves for something innovative and new. The Lecture came to an end with the Vote of Thanks by the Prof. Snehal Borkar.
