**Letter of Recommendation**

Mr. **Gholap Rushi Deepak** is one of my undergraduate students at our college. As the Head of the Department, I am happy to watch him grow over the years into a graduate. I also learned about his academic competencies when I taught him the Course.

I am impressed with his discipline, confidence and communication skills. He has developed an excellent knowledge to learn new concepts and developments in the industry. During the course work, he embraces teamwork, is clear about assignment objectives and can apply his skills most competently. His performed well in my courses and acquired excellent skills for applying the concepts.

I found him a highly determined student, able to persevere with all his tasks. Whenever he faced issues or setbacks, he pulled himself back to start with a new page, and his positive outlook helped him work with a lot of flexibility. He is exceptionally talented in finding resources and learning from them, implementing instructions, and working diligently on all the tasks assigned. He can work both independently and seamlessly in any group.

Mr. Rushi thus promises to achieve incredible things and I would be glad to see his work with some of the leading organizations. He can be an excellent student to attend a graduate program, and I strongly recommend him for admission to your esteemed university with a suitable assistantship.

**LETTER OF RECOMMENDATION**

I take immense pleasure in recommending one of my most deserving student "Ms. Asmi I. Borhade" who desires to pursue her master's degree at your acclaimed university. As a faculty coordinator for the bachelor's of Business Administration (International Business), I was associated with her for the past three years. Her grades have been consistently above average in all the courses. As compared with other students, she is very quick at grasping concepts.
