Students had to act out on various advertisement scripts and ideas relevant to the theme. The idea behind conducting this competition was to provide a platform to the participants to explore their creativity and stage presence skills. It requires a lot of creativity and some quirk. It was a perfect blend of creativity, laughter and precision when the participants took to the stage to present the theme. The participants left no stone unturned to advertise their products in the most innovative and effective manner creating a sensation and giving a tough time to the judges.
