Marathwada Mitra Mandal's College of Commerce (MMCC) has conducted cultural programs with a series of activities and events between 23rd and 24th March 2023.

Cultural Committee of college organized and executed the events in a descent and disciplined manner. Principal Dr Devidas Golhar and Committee Coordinator Prof. Meenal Kabra inaugurated the stage for student performances.

Sur Aur Saaz: This melodious program received overwhelming response. The event was full and filled with Indian songs, classical music, Rap and much more. The energy of youth minds were channelized through the seven *SUR* in real sense; their ethnic costumes added an original Indian aesthetic sense in the event.

The program was coordinated by Prof. Dr Shilpa Kabra, Prof. Yogita Renuse madam. The execution and smooth functioning of the event was done by Prof. Geeta Patil and Neeta Patil madam.

Folk Fusion: This event witnessed students in large numbers performing various types of choreographed dances on fusion songs. Though the theme was quite new and unique, the event received an overwhelming response. In this grand event more than 300 student `Folks` (Seventeen Groups) performed on the various musical beats of `Fusions`.

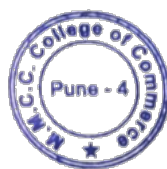

Because the theme was “Folk Fusion”, all the dances which were performed were rich in culture and represented the traditions of India. The audience as well as the teachers were seen enthusiastically tapping and dancing along the beats of the musical numbers performed. We celebrated “Azadi ka Amrit Mahotsav” in a real sense.

Salad Decoration & Healthy Chat: The competition was intended to promote wholesome eating practices and increase this generation's understanding of food options. The lovely designs and patterns made using various fruits and vegetables demonstrated the participants' creativity. The preparation of the salads as well as their aesthetic appeal were the competition's key priorities.

The program was coordinated by Dr. Meenal Kabra, Head of Cultural Department. The execution and smooth functioning of the event was done by Prof. Geeta Patil and Nita Patil madam.

Reel Making: The competition was organized for the socially adept students who can showcase their video-making and editing skills in the form of reels on social media platforms. The theme for the competition was “Smart City Pune”. 13 groups submitted their online reel portraying Pune as a developed, smart city in a stylish, musically edited video format.

Doodle Art Competition: Based on Doodle art, famous because of the showcased Google doodles on the most used search engine platform, this competition was organized, but instead of the word Google, the students had to draw around the word - “MMCC Connect”. The winner participants' doodles are published in the college newsletter - MMCC Connect.
