Marathwada Mitra Mandal's College of Commerce
(‘MMCC’) Pune,

Respected Sir/Ma'am,

I hope this letter finds you well. Through our investment advisory firm, True Funds, we had the privilege of partnering with MMCC to provide hands-on learning opportunities for Second/Third Year B.com students (Refer Annexure 1 for list of students).

As a proud alumnus of MMCC (Batch of 2020), we had onboarded talented individuals from MMCC from November 2022 to January 2023 into our team, offering them invaluable insights into the workings of a successful investment firm.

MMCC's commitment has been instrumental in the success of this initiative, from smooth on boarding of students to timely support. We are immensely grateful for their support and commitment.

True Funds helped these students to gain various insights of our operations, gaining practical knowledge and real-world experience that complements their academic pursuits.

It is truly an honor to be able to give back to my alma mater, and we look forward to continuing our partnership for years to come.

Regards,

CA Shantanu Darak

Subject: - Job Vacancy at Deenanath Mangeshkar Hospital and Research Center.

Respected Sir,

I hope this letter finds you well. My name is Jaideep Girigosavi, ex- student of Marathwada Mitra Mandal College of Commerce, currently serving as ICU Manager at Deenanath Mangeshkar Hospital and Research Center.

I am writing to inform you about several job vacancies available at our hospital across various departments, including Billing, Front Desk, Insurance, Pass Counter and more. Given our diverse range of openings, I kindly request your assistance in sharing this information with last year students from all academic streams.

Additionally, we are excited to introduce our Learn and Earn Scheme, designed for students pursuing their graduation or post-graduation. This scheme offers them the opportunity to gain valuable work experience with us while balancing their academic commitments.

Should any of your students be interested in applying for these positions or learning more about our Learn and Earn Scheme, they are welcome to reach out to me directly or contact us using the details provided below.

Alumni Interactive Session Report

"How to choose Business opportunity?"

AY 2022-23

Date: 11th March 2023

Venue: Auditorium

Time: 10.30 am.

The Department of Business Administration had organized the interactive session of alumnus Mr. Harsh Patel on the topic "How to choose a business opportunity?".

The objective of the interactive session was to provide current students with insights and guidance on how to evaluate and choose business opportunities effectively. The session began with a warm welcome to the esteemed alumnus who led the interactive discussion.

The presenter introduced themselves, highlighting their background and experience in entrepreneurship and business development.

The presenter commenced the session by emphasizing the importance of careful consideration and strategic planning when selecting a business opportunity. They outlined key factors to consider, including market demand, feasibility, competition, and personal strengths and interests.

The session included interactive activities such as group discussions, and brainstorming sessions to encourage active participation and engagement among attendees. Students had the opportunity to share their thoughts, ask questions, and seek advice from the presenter.

Overall, the interactive session on "How to Choose a Business Opportunity" provided valuable guidance and inspiration to current students, empowering them to make informed decisions and pursue entrepreneurial ventures with confidence.

Total 46 students attended the session. The anchoring and thanksgiving was performed by the students Samruddhi Karnawat and Vanshita Sugandhi.

Report

Name of the event: Guest Session on Cyber Security

Date: 15th October, 2022

Time: 10:30 AM–12:00 PM

Venue: Hall no. 5

Name of the Guest Speaker: Mr. Aditya More

Brief description of the event

With so much good coming from technology, it can be hard to believe that potential threats lurk behind every device and platform. Yet, despite society's rosy perception of modern advances, cyber security threats presented by modern tech are a real danger.

To know more about cyber security and to educate students regarding it, the Department of Computer Science organized a Guest Lecture on "Cyber Security" By Mr. Aditya More, an Eminent Alumni of MMCC on 15th Oct, 2022.

He interacted with First year students. According to him, "The Next World War will be only for Cyber Data". His talk geared on various facts of Cyber Stalking, Extortion, Spoofing, Cyber Crimes and Cyber Forensics. He discussed crime investigation case studies. His talk pursued Privacy Policy for various applications that are freely available. He catered usage of Disposable Email Accounts and explained the importance of it. Mr. Aditya had also shown different practical examples of Cyber Crimes happening nowadays and also explained protection measures that one needs to take for protecting their banking and social accounts from hackers.

The session was very interesting and informative and was appreciated by the students who attended this session.

Alumni Guest Lecture Report on "Career Counselling"

AY-2021-22

Date: 12th March 2022

Venue: Auditorium

Time: 10.30 am.

The Department of Business Administration has organised the guest lecture on "Career Counselling". **The guest lecture conducted by our alumnus, Miss. Gayatri Birajdar, Co-Founder at Youth Business Club India-YBCI on the topic of "Career Counselling" was an enlightening and enriching experience for the current students.** Miss. Birajdar's insightful interaction provided valuable guidance and perspectives to help students navigate their career paths effectively.

Throughout the session, Miss. Birajdar shared her own career journey, highlighting key insights, challenges, and lessons learned along the way. Drawing from her experiences, she offered practical advice on various aspects of career development, including identifying strengths and interests, exploring different career options, and setting realistic goals.

One of the highlights of the lecture was the interactive Q&A session, where students had the opportunity to engage directly with Miss. Birajdar and seek personalized advice on their career-related queries. Her willingness to address individual concerns and provide tailored guidance resonated deeply with the audience, fostering a sense of empowerment and confidence among the students.

Overall, the guest lecture by Miss. Gayatri Birajdar served as a catalyst for self-reflection and informed decision-making among the students. Her mentorship and insights inspired them to approach their career journeys with clarity, purpose, and resilience, reaffirming the value of alumni engagement in nurturing the next generation of leaders.

Total 58 students have attended the session of "Career Counselling" The anchoring and thanksgiving was performed by TYBBA's students Shifa Chaudhary and Vidhi Jain.

Report on Guest Lecture on "How to bridge the gap between Industrial Requirements and Curriculum"

AY 2019-20

The guest lecture on bridging the gap between industrial requirements and curriculum was conducted with the aim of enlightening students about the evolving needs of the industry and how educational institutions can adapt their curriculum to meet those needs effectively. The guest speaker for the session was CA Govind Chandak, an **esteemed alumni** who has had extensive experience working in various industries.

The speaker emphasized the importance of understanding the rapidly changing dynamics of various industries. Factors such as technological advancements, market trends, and globalization significantly influence the skill sets required by employers. Through personal anecdotes and industry insights, the speaker highlighted common skill gaps that exist between what is taught in educational institutions and what is demanded by employers. These include technical skills, soft skills, and industry-specific knowledge.

Establishing effective feedback mechanisms between industry professionals and educational institutions was discussed as a means to ensure ongoing improvement of the curriculum. The guest lecture provided valuable insights into the methods and strategies for bridging the gap between industrial requirements and curriculum. The session concluded with a lively Q&A session, during which students had the opportunity to further explore the topics discussed.
