The Department of Computer Science conducted a Reel Making Contest on the occasion "Republic Day" under the initiative of the Government of India "Azadi Ka Amrut Mahotsav". Reel Making Competition is an initiative to portray your creativity in any form to the wider public through us. Theme for the contest was Patriotism. Patriotism is a sentiment that could crush the strongest boulders of malice, a sentiment as gentle as a wave in the ocean that brings along a whoosh of affinity to commemorate the diversity of culture.
