**Metric ID : 2.4.1 Percentage of full-time teachers against sanctioned posts during the last five years**

**2.4.1.1. Number of sanctioned posts year wise during the last five years**

**Response :** HEI input given is confirmed and justification for the same is as mentioned in the uploaded document.

1. As per the affiliating university guidelines, the college identifies teachers required based on teaching workload and accordingly gets the posts or the number of teachers required for the academic year sanctioned by the college management. In the below table is identified as 'Sanctioned Post'.
2. The college appraises and continues with the previous academic year staff identified as 'Existing Post' in table below.
3. Therefore, if there are vacant positions as against the sanctioned posts, the approval/sanction is obtained only for the vacant positions. Hence, the letters attached during SSR submission show the sanction obtained for the vacant posts only for the respective years. In the below table it is identified as '**\*Sanction obtained for vacant post**'.

**Year wise status of faculty positions**

Academic Year (A.Y.)	Sanctioned posts	Existing posts	*Sanction obtained for vacant post	Filled post against the vacant post during the A.Y.	<b>Total Recruited during the A.Y.</b>
2022-23	89	62	27	14	<b>75</b>
2021-22	89	67	22	9	<b>75</b>
2020-21	89	66	23	9	<b>74</b>
2019-20	82	63	19	7	<b>69</b>
2018-19	82	67	15	7	<b>73</b>

**Note :** The college has revised the count of 'Total Recruited' teachers for respective academic years as per findings of DVV in 2.1. As per the guidelines, total recruited count is corrected by excluding the librarian.
